

List of approved Helmets - Sickline Race 2013

We are always seeking ways to improve the safety of our competitors. This year we have decided to impose more stringent Helmet regulations, requiring the use of helmets that will offer sufficient protection for a paddler on grade 4 and 5 whitewater.

3 examples of the many helmets that are not acceptable for the Sickline race are: the Wild-water competition helmet, the Sweet Strutter or the Predator Lee.
